We advise you to seek independent advice, support and representation as appropriate in connection with a move to a retirement village. Mayfield has the right to re-enter the property and terminate the Lease without affecting any rights which have accrued to it under the Lease, should any of the rents reserved by the Lease remain unpaid for 21 days (whether formally demanded or not) or the Tenant fails to comply with any of the Tenants obligations in the Lease. In these cases, Mayfield will act reasonably before seeking a court order to terminate the Lease.
